

About Bartelt Packaging

Bartelt is a trusted manufacturer of pouching, cartoning, shrink wrapping, over wrapping, and case and tray packing systems, providing dependable and long-lasting solutions to food and non-food industries. Bartelt also operates as the master distributor for both FLtècnics' rollstock and pre-made pouch and Cetec Industrie large bag format packaging machines. As the world's first developer of intermittent motion horizontal form fill seal pouching machines, Bartelt is a true pioneer in automated packaging. From simple to advanced applications spanning primary and secondary packaging, quality components and a durable design are incorporated into every solution. Bartelt is a product brand of ProMach, a global leader in packaging line solutions. As part of the ProMach Flexibles & Trays business line, Bartelt helps our packaging customers protect their products and earn the trust of their consumers. ProMach is performance, and the proof is in every package. Learn more about Bartelt at www.BarteltPackaging.com and more about ProMach at www.ProMachBuilt.com

Kayat 601-T/801-T Shrink Wrappers

The Kayat 601-T and 801-T Shrink Wrappers are continuous motion packaging machinery for the beverage, food, and non-food industries. These machines wrap pre-formed trays of product with shrink film.

Designed to handle a wide range of products, Kayat 601-T/801-T Shrink Wrappers can pack up to 60 to 80 packs per minute, respectively.

PRODUCT APPLICATIONS

Pre-formed trays containing:

- Beverages in plastic or glass bottles, cans and jugs
- Canned food
- Household and personal care in bottles, cans, jars and jugs

FEATURES & BENEFITS

- Heavy-duty rugged construction
- Centralized lubrication system
- Automatic speed regulation
- Simple operation is provided by a full color panel view
- The Kayat Shrink 601-T and 801-T Shrink Wrappers are stand-alone machines that can easily be integrated with a tray packer on an existing line
- Compact footprint
- Easy integration to other equipment
- Dual roll film mandrels for quick film changeover

OPTIONS

- Spare parts kit
- Special elevation parts
- NEMA 4X control panel, junction boxes
- Seimens controls available upon request
- Film loading dolly
- Capable of handling printed or registered film
- Cooling fan at tunnel discharge
